**RELATE**

Ephesians 6:5-9

**Building Authentic Relationships with My Co-Workers and Classmates**

Pastor David Whitten

**Introduction:**

From a biblical perspective, my job is not a bad thing or a good thing—it's a **GOD THING!**

When it comes to the workplace or the classroom, I can make a difference as a Christian...

I. When I give **GOD** my best **EFFORT** .  
(v.5-8)

II. When I practice the **GOLDEN RULE** .  
(v.9)

*Sermon Notes (continued)*

III. When my **WALK** matches my **TALK** .  
(Matthew 5:14-16)

**Conclusion:**

As a Christian, every time I leave my house I am entering my **MISSION FIELD**, and whether I am at school or at work, I have a great opportunity to point people to Jesus.

**My Next Steps:**

1. This week I will thank God daily for my job / my spouse's job.
2. This week I will pray for 1 co-worker or classmate a day.
3. This week I will look for opportunities to share Christ with or I will invite my co-workers and classmates to attend church with me.
4. This week I will do my best to live a Christ-like life everywhere I go.
